Sunak boost as jobless figures drop

THE number of jobless people in the UK has dropped below levels seen before the pandemic struck for the first time, but earnings continue to fall behind rocketing inflation, according to official figures.

The Office for National Statistics (ONS) said there were 1.34million unemployed in the quarter to January, down 88,000 on the previous three months and below the 1.36m in December to February 2020.

But when taking rising prices into account, as measured by Consumer Prices Index (CPI) inflation, wages fell by 1.6% compared with a year earlier, according to the ONS.

Chancellor Rishi Sunak (above) said: "I am confident that our labour market is in a good position to deal with the current global challenges, with payrolled employee numbers above pre-pandemic levels in every nation and region and redundancies at record lows."

Allwyn wins fight for national lottery

NATIONAL Lottery operator Camelot is set to lose its licence to operate the game after 30 years, with the Gambling Commission announcing plans to transfer it to a rival.

Camelot, Allwyn, Sisal Spa and The New Lottery Company Ltd have been in a fierce bidding process to hold the licence, which Camelot has operated since 1994.

But officials said Allwyn is now the preferred applicant to take over the venture in 2024.

100,000 sign up to take Ukraine refugees

ALMOST 100,000 households have now signed up to provide a home for Ukrainian refugees as a Government minister said he was "actually quite proud" the website allowing Britons to put themselves forward had crashed within the first few minutes of going live.

Some 88,712 households had registered for the Homes for Ukraine scheme by Tuesday morning, the Department for Levelling Up, Housing and Communities said, as the Prime Minister aimed to match the efforts

at home with action aimed at further weaning the UK off Russian oil and gas.

As further attacks were reported in Ukraine, Foreign Office minister James Cleverly praised the British public for supporting the country.

"The irony of this is I'm actually quite proud that the system struggled," Mr Cleverly told LBC.

"We built it quickly. We could have, yes, we could have spent more time stress-testing this website and delayed it a couple of days before

launching. But frankly, I'm glad we moved quickly on this and we're moving quickly to ensure we're able to help the Ukrainian refugees."

He added: "I know this is a weird thing to say as a Government minister, I'm glad the website crashed because it is a reflection of that generosity of the British people."

The scheme, launched by Communities Secretary Michael Gove, will allow Britons to host refugees for a minimum six months in exchange for a £350 payment.

PM: It's time to put big bets on nuclear power

THE Prime Minister has said there needs to be a "series of big new bets" on nuclear power to make sure the UK's energy supply is "no longer at the mercy of bullies like Putin".

Boris Johnson (above) urged the West to end its "addiction" to Russian energy, saying of President Vladimir Putin: "If the world can end its dependence on Russian oil and gas, we can starve him of cash, destroy his strategy and cut him down to size."

Writing in the Daily Telegraph, Mr Johnson pushed for nuclear power expansion.

"So now is the time to make a series of big new bets on nuclear power," he said.

"The 1997 Labour manifesto said there was 'no economic case' for more nuclear - even though nuclear is in fact safe, clean and reliable."

"It is time to reverse that historic mistake, with a strategy that includes small modular reactors as well as the larger power stations."

Petrol pain goes on for motorists

DRIVERS have been hit by fuel prices reaching new highs despite a slump in wholesale costs.

Figures from data firm Experian Catalyst show the average cost of a litre of petrol at UK forecourts on Monday was 163.7p.

This takes the cost of filling a typical 55-litre family car above £90 for the first time.

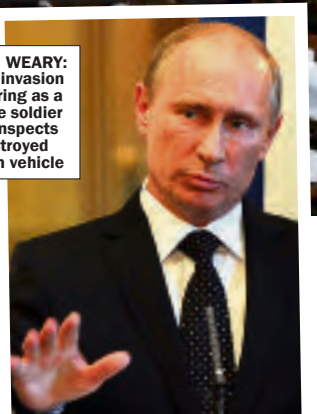

The average cost of a litre of diesel on Monday was a record 173.7p.

Oil prices have declined in recent days and RAC fuel spokesman Simon Williams said: "It's now vital that the biggest retailers who buy fuel most often start to reflect these reductions at the pumps to give drivers a much-needed break from the pain of constantly rising prices."

BATTLE WEARY: Putin's invasion is faltering as a Ukraine soldier (left) inspects a destroyed Russian vehicle

RUSSIAN forces may only be able to sustain full fighting capacity for another 10 to 14 days

Vladimir Putin's men will then struggle to hold the ground they have already captured from Ukrainian troops.

UK defence sources say Kyiv has Moscow "on the run" and the Russian army could be just two weeks from "culmination point" - after which "the strength of Ukraine's resistance should become greater than Russia's attacking force".

Advances across Ukraine have stopped as Moscow's manpower runs short.

And Ukraine President Volodymyr Zelensky echoed that optimism in an early-morning address to his people,

saying his military continues to inflict "devastating losses on Russian troops".

"Soon the number of downed helicopters of Russia will reach hundreds of units," he said.

"They have already lost 80 warplanes, hundreds of tanks and thousands of other units of equipment."

"In 19 days, the Russian army has lost more in Ukraine than in two bloody and years-long wars in Chechnya."

But as Russia's invasion falters, its methods become more brutal, with cities increasingly coming under indiscriminate rocket fire.

Kyiv suffered another round of bombing on Tuesday as apartment blocks were set on fire by early-hours strikes.

Ukraine's military said four Russian helicopters, a jet and a cruise missile were shot down by its forces, which remain in control of all major cities, including the badly-hit southern port of Mariupol.

HERO NEWSGIRL APPEARS IN COURT

A RUSSIAN journalist who burst onto a live TV news programme to protest against the war in Ukraine has appeared in a Moscow court.

Marina Ovsyannikova, an editor at state-controlled Channel 1, was detained after she ran on set on Monday holding an anti-war sign.

The sign read: "No war, stop the war, don't believe the propaganda, they are lying to you here."

She was earlier reported

missing by lawyers but has been charged with organising an unauthorised public event.

The administrative charge

could be punished with a fine, community service or up to 10 days in jail.

An image widely circulated on Russian media appeared to show Ms Ovsyannikova in court with lawyer Anton Gashinsky.

There were fears the hero newsgirl risked being murdered by Putin's goons, but international attention on the case appears to have made the Kremlin back away from that grisly scenario.

WHENEVER Lottie Moss appears on the notorious website of the Daily Mail, a low growl erupts across Middle England.

It is the sound of dozens of blokes clearing their throats while simultaneously unzipping their trousers as they prepare for a furious bout of five-minute solo self-reflection.

Lovely little Lottie, 24, younger sibling of supermodel Kate Moss, 48, drew the usual lascivious comments after she was papped in a scorchingly sexy red leather crop top at a showbiz bash in London.

And MailOnline's army of keyboard knuckle-shufflers were quick off the mark to register their approval.

SEX STABBING 'REVENGE FOR KILLING OF IRAN GENERAL'

CHARGED: Nikoubin

KILLED: Soleimani

A WOMAN stabbed her date during sex in retaliation for the death of an Iranian military leader killed in a US drone strike in 2020, authorities said.

Nika Nikoubin, 21, has been charged with attempted murder, two counts of battery and burglary of a business.

Nikoubin and the man, who she met on the dating website Plenty of Fish, agreed to meet at the Sunset Station Hotel and Casino in Henderson, Nevada.

Nikoubin took a shower to freshen up and then went to the

lobby to get orange juice to put in the alcohol the victim brought, according to the police report.

They drank and then began having sex. Nikoubin climbed on top of the victim and put a blindfold on the man before turning off the lights.

Several minutes later, the victim felt Nikoubin reach over to the nightstand and suddenly "felt a pain on the side of his neck".

The victim shoved Nikoubin off him and yelled "What are you doing?" before she ran out of the hotel room and he called cops.

Police said Nikoubin stabbed him in the neck "for revenge against US troops for the killing of Qassem Soleimani in 2020".

The top general, who headed the expeditionary Quds Force of Iran's Revolutionary Guard Corps, had been responsible for the Islamic Republic's foreign operations.

Nikoubin told an investigator she "wanted revenge" but only wanted to hurt the man, not kill him, the police report said.

The identity of the victim is not known.

Don't Look Up star: Oscars are 'really boring'

SIR Mark Rylance says he won't go to the Oscars this year and labelled the annual bash "really boring".

The actor stars in Netflix's environmental catastrophe comedy *Don't Look Up*, alongside Leonardo DiCaprio, Meryl Streep and Jennifer Lawrence.

He plays billionaire tech entrepreneur Peter Isherwell, who prevents destruction of an earth-destroying comet in order to mine it for precious elements.

The film is nominated for several awards, including best picture, at this year's Oscars.

Sir Mark (above) has previously won the best supporting actor gong in 2016 for his performance in *Bridge of Spies*.

But speaking to the Radio Times, Sir Mark said: "I don't think awards are a serious marker of what the greatest or most inspiring things are, but it's nice to be celebrated."

"I won't be going this year. To be honest, they're actually really boring."

THE FLIP-FLOP FLASHER

Perververt caught in miniskirt and no undies

JAILED: Prolific flasher Norfolk

Demi's a shady character!

DISHY Demi Rose flaunted her ample assets in a slew of sizzling new snaps taken on holiday on the Caribbean Isle of St Lucia.

On Instagram, the model, 27, showed off her sensational figure as she posed wearing trendy shades.

In another pic, she flaunted her big arse.

One fan said: "What I would give to bum her. Up the arse."

A SERIAL flasher who was caught by police leaving home in a floral miniskirt, flip-flops and NO UNDIES is finally behind bars.

Colin Norfolk, 67, of Sheffield, was jailed after breaching his Sexual Harm Prevention Order four times while he was the subject of a suspended sentence.

Norfolk is a prolific flasher and has been convicted of exposure a number of times before the order was put in place in 2020.

The order prohibited him from carrying out any more offences of exposure, or owning any devices capable of holding images without notifying the police first.

Prosecutor James Baird told Sheffield Crown Court, where Norfolk appeared for sentence, that he had breached it by May 2021, when he was made the subject of a suspended sentence.

Mr Baird said the breaches of the Sexual Harm Prevention Order were committed before the suspended sentence was put in place.

Obstructive

He said: "The order was explained to him in February 2020 and he went to the police station, where he was given a copy and he signed it."

"Between February and September that year, the defendant was difficult to locate at his registered address."

When he was seen by police in May that year, he was obstructive and said he had done nothing wrong and didn't have to let them in."

A camera was then set up outside Norfolk's door so the police could monitor his movements. In October that year, officers went to his home

but Norfolk did not answer the door.

He was seen on the CCTV camera leaving a short time after.

A month later, he was seen on the camera leaving the property with "clothing that would facilitate him exposing himself".

Mr Baird told the court: "He was seen on the camera and arrested leaving the flat wearing a coat, a hat, a short, floral miniskirt and a pair of flip-flops."

"He was taken into custody and they found he was not wearing any underwear."

"When officers arrested him that day, a search of his flat was carried out and six mobile phones were seized. Only one of them had been registered with the police."

Officers found that no indecent images of children had been downloaded on the phone, but searches had been carried out using the term "sexy schoolgirl shot" among others.

Norfolk was jailed for two years and two months. He will spend up to half of his sentence in custody before being released on licence in the community.

GANGS USING HOOKERS TO BLACKMAIL CLIENTS

CRIMINALS are approaching hookers to buy telephone numbers of their clients.. who they then blackmail via WhatsApp.

An investigation found gangs in Holland offered sex workers 300 euros (£253) for 1,000 numbers.

Victims get a message that starts like this, translated from Dutch: "Listen, dude, I'm only going to tell you this 1 time. Stop Sex Jobs. Because you really don't want this to get out of hand and for me to ruin your life."

When the victim responds, he's told he has to pay 1,250 euros (£1,000) or have his contact with a sex worker made public.

It appears criminals only have a phone number they know had contact with a sex worker. There's no evidence the criminals had any more personal information.

One hooker, who refused the gangs' approach, said: "I would never do that myself, but I know girls with thousands of euros in rent arrears. Then you may have to make more questionable choices."

One victim said: "I have a hard shell but others may have a wife and children. And they can't sleep because of this."

"I think that sucks. That people can sink so low to get money."

Wolves can eat into Scottish deer numbers

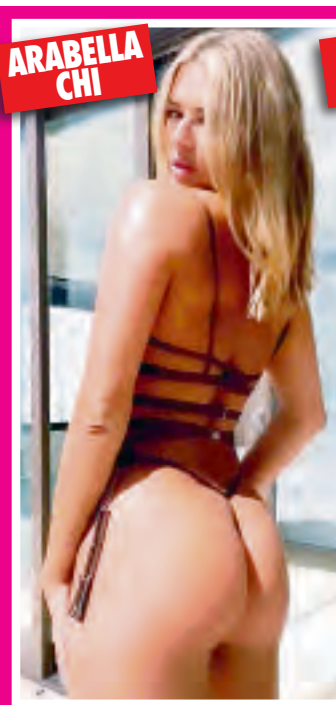

THE Scottish Highlands and Grampian mountains would be the best places to reintroduce wolves, a paper from Manchester Metropolitan University's department of natural sciences argued.

The team's suggestion would "greatly reduce" the financial strain placed on Nicola Sturgeon's Scottish Government by deer numbers.

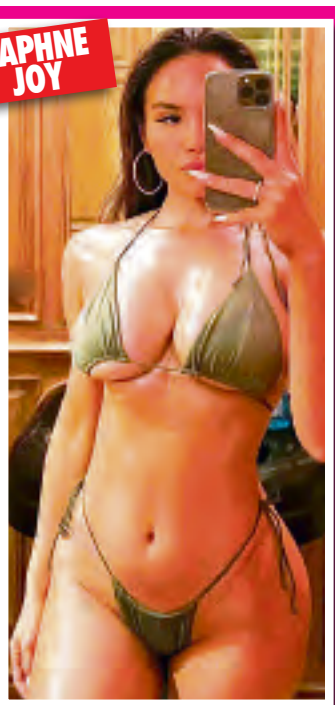

Researchers pinpointed those two areas, as the reintroduced wolves would have ample food and low chances of contact with humans and vehicles.

Wild deer cause millions of pounds worth of damage to young trees every year.

The paper, put together by Vashti Gwynn and Elias Symeonakis, argued that the absence of wolves has allowed deer populations to increase "beyond ecological sustainability".

'Wanted woman' mistake victim sues for £23m

COPS are being sued for £23MILLION after they mistakenly used a snap of an Instagram influencer on a poster for a wanted prostitute.

Eva Lopez, 31, first found out she was a wanted woman when she and her boyfriend stepped off a flight from Florida and a friend of his texted them, according to court papers.

"I thought it was something fake. I really couldn't believe the police would put me on a wanted poster," she said.

Lopez (above) called Detective Kevin Dwyer, whose name was listed on the flyer and told her the wanted poster had already been taken down from the department's Facebook page and other websites.

But the damage was done.

"It was already spread around on social media. It was still being passed around, still being talked about, still making me look like a thief and a prostitute," Lopez said.

ZOO DAD KILLED BY ESCAPED CAMEL

KICKED TO DEATH:
Matheny was cornered

TWO men were killed by a rampaging CAMEL that escaped from a petting zoo.

Dad Bobby Matheny, 42, and Tommy Gunn, 67, died after they were cornered and attacked by the frenzied camel in Obion, 100 miles northeast of Memphis, Tennessee.

The humped beast was killed by responding law enforcement officers. The Obion County Sheriff's Office received a call about a loose camel attacking people near the Shirley Farms Petting Zoo.

When cops arrived, they found the two victims unconscious and the unhinged creature on the loose.

Several agencies were on the scene to provide aid and get the victims to safety.

As officers moved one of the victims into an ambulance, the camel reappeared and attacked a sheriff's office vehicle.

Officers were forced to "put the camel down for the safety of everyone on the scene".

Matheny and Gunn were declared dead at the scene.

It's not clear how the camel got loose.

A family member of one of the victims said

the two men had been at the farm to try to help capture the camel.

The animal cornered them and attacked, stomping the men to death, the relative said.

A camel expert said that when fully grown, the animals "have enough strength to crush arms and legs along with your neck while kicking forward and backwards".

"Most animals can only kick backwards. Camels will do a combination of all those things while kneeling forward to crush you," the expert said.

Shirley Farms Petting Zoo said it was upset and grieving about the attack.

Matheny had worked as a janitor at Lake County High School.

Police in Volusia County, Florida, wrote on Facebook: "Don't know the backstory here but we're looking to ID a naked man who stole an American flag from a home on John Anderson Drive in Ormond Beach last week."

In the video, the bearded man appears to be using a hat to cover his private parts as he walks up to the front porch of the home. Moments later, he's seen carrying the flag away.

The victim says she was alerted to the theft around 6am by her home security camera.

The sheriff's office described the man as white, with long brown hair and full beard.

A police source said: "Naked and stealing the American flag? This guy is clearly some kind of pervert, or goddamned Communist... or BOTH!"

Family feud woman 'stole' sister's ashes

A FAMILY feud between a woman and her dead sister's kids got so bad that she allegedly stole her sibling's ashes from a funeral home, a lawsuit claims.

The woman pretended to be her niece and called Leahy-McDonald Funeral Home in Queens, New York, asking to have a young relative pick up the ashes of Mohie Mangru (above), according to court papers.

The facility released the ashes without confirming that the caller was actually Mangru's daughter, the lawsuit claims.

The daughter, Noressa Bethune, became suspicious when no one called her after her 71-year-old mum's funeral to retrieve the remains.

The funeral home says in a legal filing it's not totally to blame for the mistake, which was "caused" by the dead woman's children.

AS IT'S ST PATRICK'S DAY TOMORROW, ENJOY...

DUBLIN'S FAIR TITTY!

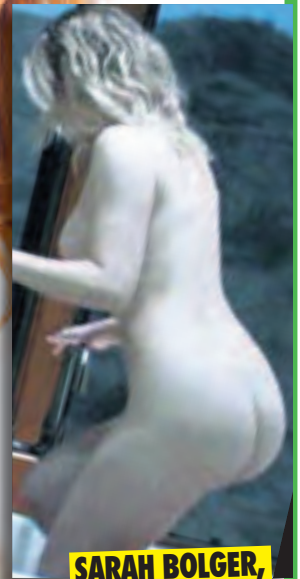

**LINDSEY STRUTT,
34GG, FROM
DONCASTER**By **WENDY THOMAS** news@sundaysport.co.uk**TOP of the morning to you, and other related Irish stereotypes...**

Tomorrow is the day when people around the world who have never been within a thousand miles of the Emerald Isle start supping pints of Guinness and dancing the Riverdance to celebrate the Irish roots they think they have.

Yes, it's St Patrick's Day, celebrating the patron saint of Ireland who used saintly magic to expel all the snakes from the isle, and some other holy stuff, too.

As the celebrations go on, the day gets less and less saintly, as gallons of booze are swigged in honour of the "Old Country".

As our special celebration for St Paddy, here are loads of Irish lovelies, topless! Enjoy...

TORTURED TO DEATH... FOR FUN!

GUILTY:
Davidson
showed no
remorse
at his trial

AFTER the atrocities suffered by Chris Newsom and Channon Christian, "death was a blessing", according to the coroner who recorded their demise. This young couple – madly in love – had been on their way to a party when they were carjacked and kidnapped by a gang of strangers. What happened next makes this case one of the most brutal and disturbing in American history...

NO-one knows for sure why Chris Newsom and his lover Channon Christian were the target of such sickening violence.

Gang leader and ex-con Lemaricus Davidson had no motive for the extreme pain and suffering he and his cronies inflicted on the pair.

For a while, many thought Chris and Channon's murders had been a hate crime. After all, a young, white, all-American couple had been slaughtered by a group of black men.

But the truth is even more

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

disturbing – they killed purely for the FUN of it.

Chris, 23, was a carpenter with a promising future. He was also a decent baseball player with many friends and a loving family.

Channon, two years his junior, was a student and cheerleader at the University of Tennessee, working two jobs while living at home with her parents.

They'd been dating for around a month and were on their way to a party in Knoxville on the

night of January 7, 2007.

And according to friends, they had fallen head over heels in love with each other.

Having just got in Channon's car together, Chris leaned in for a kiss, presumably dreaming of how they'd end the night together in each other's arms.

But those dreams were shattered when Davidson and his accomplices – Letalvis Cobbins, George Thomas and Eric Boyd – pounced.

The terrified couple were driven three miles to Davidson's home on Chipman Street.

They then spent the next few hours being raped, tortured and, finally, executed.

The details of the injuries suffered by Chris and Channon rocked America.

It's only natural, then, that Channon's father feels pure, undiluted hatred for the men who committed such depravity to his beautiful, blonde-haired, blue-eyed daughter.

When Davidson was handed a death sentence in October 2009, Gary Christian looked him dead in the eye and said: "A parent is never supposed to bury a child."

Horror

"No-one should ever have to see the evil that is in my head. Every time I shut my eyes, I see horror."

"I got a letter from an inmate in prison who told me that one of the defendants said Channon had 'screamed for her daddy' during her torture and murder."

"I hate the fact that you were born. I hate the

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS
AND THE HORRIFIC CRIMES THAT SAW
THEM SENTENCED TO EXECUTION...

fact that you draw air. You destroyed my world."

After being driven to Davidson's house, the gang – aided and abetted by a fifth person, Vanessa Coleman – set to work on Chris and Channon.

Chris was beaten and raped repeatedly in front of his horrified girlfriend. He was then blindfolded, led outside, and shot in the head next to an old railway line.

His body was doused with petrol and then set alight.

Channon's suffering, though, had only just begun.

She was repeatedly raped for hours on end.

She was brutalised with a chair leg, both internally and externally. And she had bleach poured down her throat.

Then, in a final act of barbarity, she was hogtied, wrapped in bin bags, stuffed inside a bin and left to die.

Channon eventually suffocated, eyes wide, gripped by fear.

Dr Darinka Mileusnic Polchan, who performed autopsies on both bodies, said: "Chris had significant injuries to his genital area and was shot three times with small-calibre bullets."

HOUSE OF HORROR:
Scene of the sickening crimes

"One bullet was fired from two to three feet away and entered his body in the neck area between the back of the neck and the shoulder."

"The second shot was to his lower back. The bullet travelled steeply upward, indicating he was bent over when the weapon was fired. This shot severely damaged Chris's spinal cord."

"The fatal shot was fired with the muzzle of the gun against his head above his right ear."

"It severed his brain stem, causing instant death."

"He was placed on his back, wrapped in a blanket and set on fire."

Channon's injuries are just as hard to stomach.

Dr Mileusnic Polchan revealed: "The membrane

that connects Channon's lip to her gum was torn and she had bruising and abrasions around her mouth."

"These injuries occurred hours before her death and were caused by an object being forced into her mouth."

Damage

"Her genital area suffered tremendous damage. The depth and extent of her injuries suggest they were caused by a blunt object."

"She had bruises on the backs of both arms, bruising on both sides of the top of her head with extensive haemorrhaging, bruises to the front of her legs, deep bruising to her upper back, and carpet burns and scratches to her lower back and upper

SEXY Rosanna loves getting down and dirty – while she's getting clean in the bath.

The beauty, from Lowestoft, Suffolk, says she enjoys her time alone in the bathroom because she can give herself a good rub down.

Stripping off to reveal her impressive 32D boobs, Rosanna said: "There's nothing quite like a good soak in a bubble bath."

"I like to take my time and gently wash and scrub my whole body with a big, wet sponge."

"I like the water really hot so the steam opens my pores and gives me a good, deep cleansing."

"It's nice to have a man to help soap my back too."

"But even if I'm on my own I'm super flexible, so I can run my hands and the sponge over every last bit of my body, including all the sensitive bits."

"Then I hop out and pat myself down with a fluffy towel before slipping into some sexy lingerie – ready for my fella."

ECKETT

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Only the lucky few live in a rich country

LOADED: Bono, Blair, Putin and Geldof

POOR? No worries, you can now get £350 from your neighbours' pockets every single month.

You just have to take in a Ukrainian refugee, first.

It's the latest government ruse to a) pretend it gives a shit, b) a chance for nauseous celebs to promise and then never, ever deliver, like they always do, and c) hope it goes away quickly.

It's also yet another example of how much those of us in society who limp along under the rich radar really don't matter, even though we pay the lion's share of this nation's bills through our taxes.

I can't take up the Government's offer to house anyone fleeing from "Keith", or whatever the BBC is virtuously calling the Ukrainian capital these days, because my place is too small.

Even though I pay £850 a month before the rest of the sodding bills slam dunk onto the doormat.

What f**king planet do they think most of us live on? Seriously?

Naked

We know the Geldofs, the Coopers, the Milibands, the Corbyns, and the eternally irritating one from U2 who probably hopes we don't remember him shaking Vladimir Putin's hand, will urge us to "follow" them.

But we also know that not a single one of them will actually do what they demand from the rest of us.

Twats like those live in gilded mansions whose floors are cleansed by naked dwarfs, their food cooked by deaf-mute chefs, their clothes spun from Rapunzel's hair.

So it's easy for them to say: "You – yes, you, peasant! – have a meagre

£350 a month from your mate's taxes to house someone just to make us look better on the world stage!

"It could well lead to people voting for me again and we all know that is quite the result that would be best for me!"

If you're tempted by that £350 a month, you might want to consider the terms and conditions.

First of all, how many months, exactly?

Second, why is putting up someone in your home meriting a bigger payment than the sheer hassle of being out of work which, as dole recipients will tell you, is around £150 LESS a month than that?

Generous

We are constantly presented with a succession of begging bowls because we're apparently a rich country.

Except we're not, are we? That only applies to a fortunate few.

The rest of us scrape by day to day, hate the last two weeks of every month, and sometimes wake in a cold sweat wondering how, or if, we're going to manage.

But we're still the first people the government goes to when it wants to pay for its own on-the-hoof ideas.

And, most often, we fall for it.

Our generous nature means, oh, well, go on then, it's only a tenner. And the sanctified celebs will then consider to themselves that they've completed a job well done, put on their black tie, pick up a meaningless award, eat a gluten-free bisexual vol-au-vent, finger a supermodel in the bogs, and then go home to bugger one of their non-binary swans.

And next week they'll find another reason to fleece us – and we'll fall for it again.

And we'll still be poor and they'll still be rich.

'I'd love to go dogging and put on a show'

WITH
STELLA JONES
34DD-23-34
FROM
BRIGHTON

I HAVE a fantasy about going out dogging! It's the exhibitionist in me.

I often think about it when I'm playing with myself and it always gets me off.

I imagine me and my fella drive and pull up into car park. It's dark and late at night.

We flash our lights which apparently means we're up for spectators.

Then around ten guys surround us.

My bloke gets my big boobs out and starts

exploring them with his tongue.

Our audience members get their hard cocks out and stroke them.

We put on a really horny show.

I do my very best deep throat on my guy and I can see everyone is really enjoying the live porn happening in front of them.

I have the most intense orgasm as I ride my man and the other dudes wank furiously.

The idea of being watched gives me such a thrill. I've never tried dogging in real life but never say never I say!

First class end to plane porn terror

A WOMAN landed herself a seat in first class after the passenger sitting next to her on a flight started watching hard core PORN.

Melanie Schofield, 19, posted a short video on TikTok captioned: "When the old man you're sitting next to on the plane starts watching plane p@rn so you tell the flight attendants and now you're sitting first class".

The self-described actress, model and artist said: "It seemed like he was trying to touch me and make me uncomfortable."

"I notice he is typing on his phone 'sex on a plane' and he begins watching pornography of people having sex on a plane."

"I immediately panicked but I held it together."

After being moved to first class, she added: "For the entire flight I was upset and scared. But I'm grateful the flight attendants helped me and that I was able to get out of an unsafe situation."

'Sexually exciting' ponytails banned in Japan schools

JAPANESE schools banned female students from wearing their hair in ponytails because the "nape of their necks" could "sexually excite" male students.

Former teacher Motoki Sugiyama said: "They're worried boys will look at girls."

Sugiyama taught in the prefecture of Shizuoka for 11 years in five different schools, which all outlawed ponytails.

Parents and students recently expressed outrage at the absurd dress code, pushing the Japanese government to revise the prefectural boards of education's rules.

Schools also insist that schoolgirls wear white panties and enforce further restrictions such as the colour of children's socks, skirt length and even the shape of their eyebrows.

EX-CON'S ARM FOUND IN ALLIGATOR'S MOUTH

Cops search for rest of career criminal in swamp

DANGEROUS:
Hungryland Preserve is infested with gators

STUNNING Shannon Singh left little to the imagination in this jaw-dropping snap.

The 23-year-old former *Love Island* star posed in a sheer outfit that showed off her amazing boobs and curvy figure.

One fan said: "I bet that rimming her tight little bumhole is like kissing an angel. "Mmmm."

By COLIN HURST news@sundaysport.co.uk

AN arm belonging to a former jailbird was found in an alligator's mouth... and now cops are searching infested waters for additional body parts.

Police say the severed arm belongs to Dustin Davis Mills, of St. Lucie County, Florida.

The 42-year-old's identity was determined using fingerprints from his hand, which was found near "a large alligator that was guarding the body part", according to the medical examiner.

The discovery was made in Martin County, Florida, and cops have been searching the Hungryland Preserve for the rest of the body.

A biologist on routine patrol spotted the gator with the arm in its mouth.

Since then, cops are reported to have found more human remains about a mile from where the arm was located.

Sniper

Search teams were deployed, including the Martin County Fire Rescue dive team.

A sniper watched over the team as they carried out their search.

In addition, cadaver dogs and deputies joined the search efforts.

The area is infested with alligators and other wild animals, making search attempts difficult.

After making the second discovery and evaluating the remains, detectives believe Mills was a homicide victim.

VICTIM: Dustin Mills

Mills had previously served time behind bars for various crimes, according to the Martin County Sheriff's Office.

It's believed he was last released from the Department of Corrections in 2020.

Mills has not had a permanent address since his release.

THE WORLD FAMOUS
AGONY
Page

Dear Lexi,

I'VE been married to my missus for five years and I've just discovered a shocking secret she's been keeping from me.

She suddenly told me last week that she's bisexual and wants us to have a threesome with another woman.

Now I know most blokes would give up a left bollock to be in my position, but I'm not sure I want to go down this road again.

You see, I've tried it before – and although it was a great experience, it ended up backfiring on me.

My ex-girlfriend ended up taking a fancy to the other bird and dumped me to move in with her.

I'm worried that the same thing could happen again if I agree to fulfilling my wife's fantasy. Any advice.

PK, Edinburgh

Lexi says...

FILM it, and even if you do end up getting dumped again, at least you've got something to put in the wank bank.

Dear Lexi,

MY husband is really into women's underwear – and the sexier the better.

He's always buying see-through or crotchless knickers, peephole bras with basques, stockings and suspenders.

But they are not for me – they are for HIM!

I must admit, though, that his penis is always rock-hard when he's wearing the kinky skimpies.

But is this normal?

RG, Northants

Lexi says...

IF he lets you have some benefit of his hardness, don't worry about it.

I shed my inhibitions as neighbour sucked me off

Dear Lexi,

THE other day I was in the shed on my allotment, tossing myself off over the pictures in one of a stack of old-ish porn mags I keep under a pile of old sacks.

Just as I was getting to the vinegar strokes I heard a knock – and then the shocked face of the wife of the bloke who has the next allotment appeared at the window.

I quickly pulled my pants up and went out to explain that as a lonely widower all I could rely on was my stash of old jazz mags and didn't trust the internet.

She said: "Aww, I

understand love, do you want a suck? My hubby's gone to B&Q for a bag of manure".

Well, I've never looked a gift horse in the mouth and the next thing I was sitting on a stool in the shed with her sucking greedily on my member until I spurted.

She then wiped her gob and left, but I'm sure her hubby suspects something.

What do you think?

TJ, Humberside

Lexi says...

IT'S his own fault for marrying a hoe!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week **LEXI LOWE** has been reading through your letters. And here's her advice for you...

Should we let stranger film our sexhibitions?

Dear Lexi,

THE wife and I are both big exhibitionists.

We find it thrilling to have sex in places where we might get caught – in the car, at the beach in the summer, in changing rooms and even on public transport.

Once, we got horny on a train and started diddling with each other and getting carried away.

As it happens, the carriage was half full of football supporters who, far from telling us to cut it out, encouraged us to get stuck – which we did, to their cheers and howls of delight.

Helmet

We are both in our late-20s, have high sex drives and have fit, well-toned bodies.

My wife's a gorgeous-looking redhead with fantastic tits and doesn't mind who sees them.

In order for us to reach a wider audience for our exhibitionism, we have started driving to a local dogging site.

We have become so incredibly popular at this site that large crowds gather to watch us going at it – same time, same place, every week.

Other couples often get a bit miffed that the audience tends to gather round our car because we put on such a great show.

Last week, though, we said we

would only perform for the crowd if each of them slipped us a tenner through the car window.

With almost £200 in the kitty we put on a real exhibition – lasting well over half-an-hour.

First the wife wanked me to my full nine inches, gently squeezing my balls and licking the tip of my cock.

She then took my helmet between her soft, full lips and began sucking it until I was almost ready to come in her mouth.

Then she whipped me out of her gob and straddled me while I sucked on her magnificent tits, which were bouncing around in my face.

After that we got in the back seat and I bent her over, doggy-style, to take her first in the fanny and later up the rear as the crowd looked on and pulled on their puds.

Then for the grand finale she

brought me to the brink in her mouth again before I splashed my hot spunk all over her face – in true porn film style.

After the crowd had applauded – and shot their loads – and moved away, one guy came over to us and offered us £500 if he could film our next public session.

He insists that it's just for his own private use.

I'm up for it, but the wife is a bit worried in case he posts it online and someone who she works with sees it on the net.

What should we do?

FT, West Midlands

Lexi says...

DON'T do it – but see how he feels about paying £250 for a private show at your place. I'm sure the cash would come in pretty handy.

Dear Lexi,

I'M a recent divorcee, aged 33, and I love to wear stockings, sussies and a basque.

That's my usual gear under whatever I've got on for the day, which is normally a long skirt and blouse. I'm enjoying being single for the first time in ages and have begun to notice the blokes at work eyeing me up all the time.

I think they know what kind of underwear I have on because one of them offered me £20 to lift up my skirt and show him.

He was a good-looking fella, so I thought, 'What the hell?'

We went to the toilets and I hitched up my skirt and then bent over to show him my bum.

When I turned round he had his cock in his hand and was beating one off.

His cock was huge and I eased down my panties and began to play with myself, too.

Just as I was about to come I shouted at him to ram it in, and he did – bringing me to a huge orgasm.

But word got round the office and now all the lads are offering me cash to flash.

What can I do?

TY, West Yorks

Lexi says...

JUST stick to the one guy or you won't be emptying sacks, you get it!

I bought vibrator to replace hubby

Dear Lexi,

MY hubby and I have been married for 20 years, but we hardly ever have sex these days.

When we were first married we were at it all the time – he used to love going down on me for hours on end and giving me multiple orgasms before ramming his big, hard willy up me.

I was discussing the problem with a female workmate recently, as us girls do.

She suggested I get myself a vibrator and have some solo fun if my old man isn't up for shagging any more.

I went online and after looking at all the recommendations bought myself one – paying extra for next day delivery because I was getting wet just thinking about using it.

It arrived the next day and that evening, while my hubby was in the pub, I lay on the bed with my new toy. I put batteries in and eased it over my clit and into my pussy.

I quickly fell in love with it and soon had a massive orgasm.

Since then I have been doing it four nights a week while my fella is out boozing.

Last night, my hubby came home early, caught me at it and called me a 'dirty slut'.

I explained that I enjoyed sex and as I was not getting any from him, I had to do something about it.

Now he won't even talk to me.

What should I do?

NW, Lincs

Lexi says...

TELL him to man the fk up, get his cock out and give you a good seeing-to. It's his duty!**

ALWAYS HOME OF TOPLESS BABES

ROXY Taggart does not sound like a particularly Slavic name... But the raven-haired beauty hails from Slovakia, which was the shabby end of Czechoslovakia before the former Commie country split asunder.

And growing up in the newly-free land, Roxy found many opportunities.

She smiled: "I have natural 32E breasts and glamour photographers begged me to go topless."

"I was glad to oblige and sucked one off to say thank you for giving me a break."

"As he hosed me down with his hot, sticky spunk, I thought 'Hey! I could do this for a living...'"

"So I got into porn and now I do the lot. Anal, DP, S&M, even watersports. Men love to see a woman with big, natural breasts urinating."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

**ANNA
TAVERNER**

YORKSHIRE lass Anna Taverner is the pick of long-time *Sport* reader Nicky Holt, who told us spending a night with the Richmond hottie would be his ultimate fantasy.

Nicky, 47, from Telford, Shropshire, said that he gets a stiffy just thinking about hopping into bed with Anna and getting to grips with her 32Ds – even if it is just a dream.

He said: “Anna has a look in her eyes that just says, ‘I could show you a good time!’ and I would love to find out first-hand.

“Sadly, I think I will have to settle for another sexy topless photo to satisfy me, for now at least!”

**AMANDA
RENDALL**

SCHORCHING Scots lovely Amdanda Rendall is always a favourite among our readers, thanks to her eye-watering pair of 32D sweater-stretchers.

And the latest fan to request a topless shot of Amanda, from Glasgow, is David Jones, 39, who hails from Cardiff.

Pharmacist David said: “Amanda is a real beauty and I would love to see more of her in the paper.

“She has an absolutely cracking set of knockers and I don’t think she gets half the attention she deserves.

“Come on *Mid-week Sport*, give us a quick peek!”

The beauty confessed her favourite part of her body are her 32D boobs – but more people take notice of her trumper.

Ava, from Camden, north London, said: "No matter where I am, or what I'm wearing, people come up to me and talk about my butt!"

"I prefer my boobs – I love playing with them, too – but for some reason it's my backside that gets all the attention."

"I reckon I could walk down the street topless and people would still be talking about my bum!"

STRUGGLE:
Lampard

Toffees chief Frank won't hit the boos

By ANDY MILLOM

FRANK Lampard admits it's tough to hear boos ringing around Goodison Park as his Everton side struggle.

The Toffees are out of the drop zone only on goal difference after a shocking run of form. Since Lamps took over they have lost five of six matches with the home reverse against Wolves another low point.

The Goodison crowd is making no mystery of what they think of the players with howls ringing around the stadium at the final whistle.

To make matters worse, it was a former Liverpool player in Conor Coady who got the winner and Jonjoe Kenny was sent off.

Everton have the lowest number of points at the 26-game mark of any season in their 144-year history.

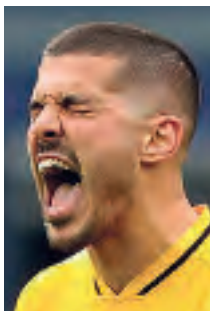

Lampard says he can understand why the fans are so annoyed.

He believes the players just have to cope with it and turn the jeers into cheers by winning games.

Lamps said: "I've played for 20 years and I have seen plenty of reactions from crowds."

"I can't stand there and say thanks very much for helping us play so well against Brentford and Leeds and Manchester City and deserve more in that game and not expect that the fans that want the team to do well, want the team to stay up and get wins, will not have reactions."

"I don't put an

KILLER BLOW: Coady

emphasis on Goodison Park, I want to get points everywhere."

Lampard insists drawing another blank at home isn't giving him sleepless nights.

He added: "It wasn't more worrying as Tottenham."

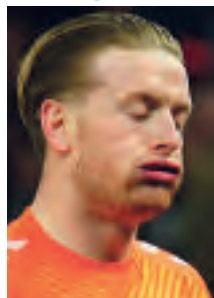

"Tottenham wasn't a good performance. Against Wolves in the first half we were the stronger team."

"The goal changed the whole feeling of the game and in the stadium, that is understandable the position the club is in. That's been coming a long time."

"We have 12 games to go so we can't get stuck in the rut."

"We lost against a good team in a tight match with 10 men for the last period when you really want to push."

Everton's next five league fixtures: West Ham (A), Man Utd (H), Liverpool (A), Chelsea (H), Leicester (A).

TOP TEAM:
Gunners boss Arteta and Odegaard

MART STARTS A GUNNERS BOOM

Odegaard and Arteta look a perfect match

By PAUL THOMAS

MARTIN Odegaard says manager Mikel Arteta deserves all the credit for sorting out Arsenal's season.

The Norwegian has been one of the stars as the Gunners have cemented their place in the top four of the Premier League.

Given they were stuck in the relegation zone earlier this season, that's quite a big turnaround.

Dugout

It was the worst start to a campaign for the Gunners in their history and some pundits were calling for the Spaniard to be fired.

But Odegaard is happy to see Arteta still in the dugout and trying to get the club back where they belong. He

said: "There is clearly something special going on here now. You feel it in the whole club."

"We are building something special. It's a group of players who like each other, and who really enjoy playing football together."

"The system works better and better as well, it flows really well now."

Odegaard took a little while to find his feet in the Premier League after arriving from Real Madrid where he never really made a major breakthrough.

Now he looks a natural and is a big part of Arsenal's rise up the table.

He added: "I think self-confidence is really important in football and sports in general. I feel it has more to

do with our play clicking and us understanding each other very well."

"When the team works great then it's easier for me to look good also."

"Of course, it's important, but even more important is that we're growing better and more solid as a team."

Rhythm

"It was a lot about my position, what parts of the pitch I have to threaten and where I should play."

"Last year, I maybe came a bit too deep too often and often I was facing the wrong direction."

"We've found a better position and rhythm, so I'm able to get inside dangerous areas more often now where I can make things happen."

Arteta is delighted with the progress Odegaard has made

and thinks he's the key man on the pitch for the Gunners.

He has chipped in with a few goals but his assists have been more of a factor.

The Arsenal manager said: "In every aspect of the game – what he had to do in defending, when we were high and deep, in build-up phases."

"In the final third, the way he understands and manages the game when he is needed."

"He's come a long way since his arrival, he is showing great maturity and responsibility on the pitch and he makes the other players better, I think."

"We were convinced he was a player that could fit in our clubs, in with our morals. He has every value that we want players to represent this club, and then he has the quality for what we want to do."

Tuchel: I won't abandon Blues in a crisis

UP FOR A FIGHT:
Chelsea gaffer
Thomas Tuchel

By MARK NAYLOR

THOMAS Tuchel says he won't walk out on Chelsea despite the club's cash crisis.

The Londoners are in trouble after the assets of owner Roman Abramovich were frozen due to his links with Russian monster Vladimir Putin.

There has been speculation that manager Tuchel will walk out of Stamford Bridge amid all the potential chaos.

At the moment the club is in limbo with its sale frozen and the chance that they may run out of cash.

They aren't allowed to sell tickets or shirts to bring in much-needed income.

Manager

On the pitch, Chelsea are showing no ill-effects at all as they made it five Premier League wins in a row against Newcastle at the weekend.

There have been reports that Manchester United may offer Tuchel a way out of Stamford Bridge as they look for their next permanent manager.

But the German says that could not be further from the truth. Although he did give other teams some hope by not mentioning his long-term future at the club. He said: "For

BOSS COMMITS FUTURE TO CLUB

sure, there's no doubt I stay until the end of the season.

"We have to wait day by day because everything can change but the situation is clear – the club is for sale and hopefully it will go through to sort things out and give us some perspective.

"It's pure speculation and I have no information than you already have.

"Day by day is a good way to live your life and now we're forced to do it because there are circumstances we

can't influence. In some ways, that's not so nice but it gives you the freedom to focus on the things you can influence, which is our performances and show the spirit.

The focus is on the first team but Chelsea is much more than the first team in the Premier League.

"It's a massive club with huge tradition and hundreds and hundreds of people and for them it's important we show the spirit, give them a

distraction and show them what we're about."

Tuchel was forced to answer questions about how Chelsea will get to their games in the Champions League if they don't have the money to charter a flight.

And Stamford Bridge could be empty for the quarter-final if they are not allowed to sell tickets for the match.

Tuchel said: "My last information is we have a plane.

"We can go by plane and go back by plane. If not we go by train. And if not we go by bus. And if not I'll drive a seven-seater!"

Normal

Tuchel says worrying about transport issues is trivial compared to what is going on.

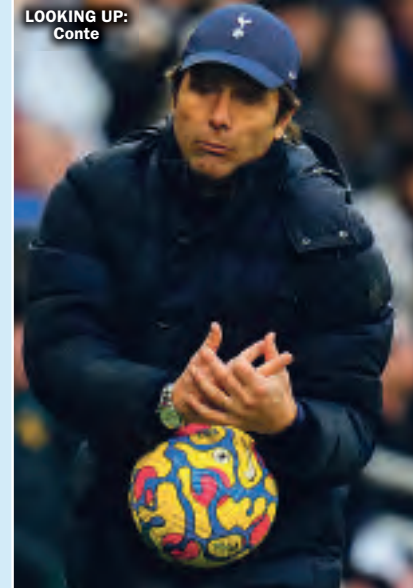

He added: "If you asked me 20 years, 30 years ago if I'd join a Champions League match at the sideline and what I'm willing to do, I'd say 'where do I have to be when?' We will be there.

"Of course organisation-wise there are some negotiations but we have brilliant guys who organise the travels and in every department there are such committed people so things in the moment feel quite normal."

LOOKING UP:
Conte

CONTE: I'M SPURRED ON TO HIT TOP FOUR

By ANDY MILLOM

ANTONIO Conte says his Tottenham slide is NOT a top-four team – but that won't stop him trying to break into the Champions League places.

The Italian believes that Manchester City, Liverpool, Chelsea and Manchester United are the top dogs in English football.

That makes it hard for his Tottenham and the likes of Arsenal and West Ham to break into this elite group.

But he's adamant that the Londoners won't give up and having a target of qualifying for the Champions League can spur on his squad.

He wants them to stop conceding silly goals to stay on the right track.

Conte said: "In the last period we have been conceding a lot of goals from set pieces, but we are working on this.

"You have to know that this is a process because this team is a team that needs time, needs time to grow and improve, but I think you can see their improvement, a big improvement on the pitch.

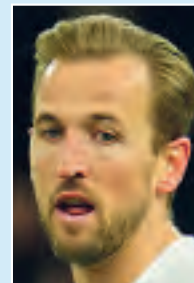

"You can see what they're doing on the pitch, but in this process you need time and patience and then try to do this but I want to push my players, because our ambition has to be to stay very close to the top four.

"We need a target to give us emotion, to give us the possibility to push ourselves.

"We will analyse the situation and to try improve the set pieces because, I repeat, we are conceding a lot of goals from set pieces."

Conte is urging his players to cash in on Manchester United's hit and miss form this season.

He doesn't want to miss the opportunity of

BACK IN FORM: Kane

breaking into the Champions League.

He added: "I always say in England there are four teams in my opinion – City, United, Chelsea, Liverpool – that unless something goes wrong, the top four are these four clubs in my opinion.

"But it can happen, as last season Liverpool struggled until the end for a place in the Champions League.

"In this season United are struggling, and in this case, in this moment, there are three or four teams including Tottenham. We have to stay very close and fight."

Wijnaldum desperate for Liverpool return

GEORGINIO Wijnaldum
wants to come back to
Liverpool this summer.

The midfielder regrets leaving Anfield for the big wages on offer at Paris St Germain.

The Dutchman has been a bit-part player for the French side who are keen to get him off the wage bill.

By JOHN ANTHONY

He arrived at the Parc Des Princes on a free transfer and they may be willing to let him go for nothing at the end of the season.

Wijnaldum has just turned 31 and the Reds haven't signed many older players since Jurgen Klopp took over.

But they may see him as

an exception because he could slot straight back into the squad.

Klopp is a massive fan of Wijnaldum and admits that the team isn't the same without him.

The German said: "When we prepare for an opponent like Chelsea, we look at our games against Chelsea and see Gini running around there. It is not only on the

pitch we miss him but we really, really miss him in the dressing room as well."

The feeling is mutual.

Wijnaldum said: "If it's possible, I would love to come back."

"The feeling I have, the feeling my family has with this club, is only good things."

"I will be a Liverpool supporter for life."
